### Year 6 SATS

The Year 6 children will be sitting this SATs tests during w/c 8th May. You can support your children at home by:

- Making sure they go to bed at a reasonable time
- Making sure they have a good breakfast before school (if they are not attending the breakfast club)
- Ensuring that they are in school on-time.
- Giving your child lots of encouragement to try their best

### Parent Governor Election

We would like to pass on our congratulations to Fiona Relf who has been elected as our new Parent Governor.

We welcome Fiona to the Governing Body and look forward to working with her over the coming years.

### H&S reminder

We have a number of children suffering from chicken pox at the moment. Can we remind you that they shouldn't be coming back in to school until all of their spots have crusted over. This is to prevent them infecting other children, and also not putting our pregnant staff members at risk.

### MESSAGES FROM THE SCHOOL OFFICE

The school office would like to remind you that if your child is not coming to school, or will be coming in late, you must ring the school office **by 9am** to inform us. This is school policy but some parents aren't following it which means staff are having to make unnecessary telephone calls. Remember there is someone answering the telephone from 8am onwards.

Also, we have been advised that from Wednesday 3rd May, the school will no longer be able to accept old £5 notes. If you do send one in after this date, we will be returning it to you.

Thank you for your continued support.
