

**Our Autumn term  
highlights!**

**The Christmas Star**

We were so proud of all of the children for putting on such an exciting show! Everyone worked really hard to learn the songs and actions. We were also very pleased with how well the children with speaking parts said their lines. Well done everyone!

**'People who inspire us' Art Day**

On December 9<sup>th</sup>, we took part in a whole school art day. The children from FS1 worked together to produce animal collages inspired by David Attenborough. FS2 children completed artwork using materials such as paint, collage, chalks and the iPads. Some of the themes included Indira Gandhi, Martin Luther King and Malala Yousafzai.

**The work will be displayed around the school in January 2017.**

**Walking to School**

The children in FS2 have been busy earning badges this term as part of our **Living Streets** initiative. Most children either walk, or 'park and stride' to school every day which are both great ways to stay fit and active. Keep it up children!

**FS1 visit to Spinney Hill Park**

The FS1 children enjoyed their visit to the park where they were able to hunt for Autumn 'treasures' as well develop their understanding of the world in which they live.

**Extended Earlybird sessions**

The children have enjoyed working with parents during Extended Earlybird sessions.

Some of the activities so far are: recycled rockets, stars for our performance, making treasure bags and exploring a range of construction kits.

**Earlybird!**

Please come to and join in with our daily Earlybird sessions:

Monday – Speaking and Listening

Tuesday – Reading skills

Wednesday – Writing skills

Thursday – Homework task

Friday – Maths skills

Please practice the skills and complete the activities that are shared with you during these sessions.

Many thanks, the foundation team!
