

**Ways in which you can help your child at home....**

Practice reading numbers in the environment, for example: when you're out shopping, on car registrations, house numbers or whilst cooking and writing them correctly.

Encourage your child to be more independent at home and take responsibility for their belongings.

Try to ensure your child gets plenty of sleep and arrives on time in the morning.

Please encourage your child to speak in full sentences.

Help your child to practice hand writing following the cursive handwriting mat.

Please ensure all clothing/belongings are labelled and the children have their P.E. Kit in school on a Monday and that it is taken home on Fridays.

Please check the school website for the current newsletter and for updates about what your children are learning in the class.

Please help your child to practice life skills such as writing shopping lists, using money, telling the time and identifying shapes around them.

Help your child to learn their spellings. Please practice reading and writing the common expectation words as well.

Please share, read and talk about books. Ask your child questions and ask them to think of questions and be curious.

**Morning Tasks!**

Please come to and join in with our daily tasks:

Monday – Reading

Tuesday – Maths or English

Wednesday – Maths or English

Thursday – Handwriting

Friday – Homework

Please practice the skills and complete the activities that are shared with you during these sessions.

Many thanks, the KS1 team!
