The Autumn term so far....

We trust that you all had an enjoyable half term break. The Autumn term seems to be flying by and all of the children are working really hard in their lessons. During the first half term, many of the children have had the opportunity to go out on educational visits. Year 3/4 had a team building day at Spinney Hill Park, and Year 5/6 had their team building day at Brooks Hill Park. This helped the children get to know each other and build positive relationships with each other and the staff which will help them throughout this year. Year 1/2 enjoyed a visit to Beaumanor Hall when they enjoyed activities linked to their Pirates topic. The Year 3 children who started swimming this half term are making excellent progress—well done!

WELL DONE MR BLAND!

In September, Mr Bland took part in an Olympic Triathlon to help raise money for a South African charity Afrika Tikkum. During the months prior to the event, Mr Bland trained very hard in all sections of the race—swimming, cycling and running. All of his hard work paid off as he managed to complete the event in a fantastic time of 2 hours 37 minutes. Thank you to everyone who sponsored him. Individually he raised £246.20 and overall the event raised over one million Euros for Afrika Tikkum.

NUT ALLERGIES

Could all parents please ensure that no food containing nuts is sent in to school. A number of children have nut allergies and their health is at risk if nuts are present.
Thank you
