

EVINGTON VALLEY PRIMARY SCHOOL

Caring and Learning Together

October 2014

Dear Parent / Carer

At Evington Valley Primary School we feel it is important to recognise the achievements and successes of our individual pupils and of the school as a whole. One of the ways we do this is to publish photographs and details of pupil achievements on the school website, on our Virtual Learning Environment (Fronter) and occasionally in the media.

We take Child Protection very seriously, and this includes the images of children in our care. Images of pupils in school publications and press are rewarding for the pupils involved and motivational for all pupils. It also provides us with the opportunity to promote and celebrate the achievements of the school. Our duty to the pupils is paramount and this form of publicity is carefully monitored to ensure that it is consistent with Data Protection Legislation and our Child Protection Policy.

To update our records please complete the permission slip below, sign and return it to your child's class teacher as soon as possible.

Yours Sincerely

Mrs Z Adam
Computing Co-ordinator
