September 2018

WELCOME BACK

The first few weeks of term have passed so quickly but across the school the classes are settling very well. Initial observations show that children are showing great attitudes to their learning and the focus on language development to improve all areas of learning is well under way.

We are very pleased with this start to the new school year and keen to work with you to ensure it continues throughout the year knowing that this will lead to great outcomes for pupils at the end of the 2018– 2019 school year.

The staff and governors are looking forward to working with you again this year to support your child/ren on their learning journey.

What's happening this term?

Thursday 18th October
3.30pm—7pm

October Half Term

Monday 22nd October—Friday 26th October

Please see the school website for all term dates.

H&S Reminders

F1 Playground

Can you please make sure that if you come into school through the F1 playground at the beginning or end of the school day, that you ensure that your child/ren do not touch or play with the equipment.

Car Park

Please remember that the car park at the front of the school is for staff and visitors only. Please don't drive into the car park, unless agreed with the school. Also, please use the pedestrian entrance to enter the school grounds. We have seen a number of parents and pupils cutting across the car park and we would hate for anyone to be hit by a car or lorry.

Yellow Zig Zags

Please don't park on the yellow zig zags outside of the school. They are there for the safety of the children and other pedestrians, and we would hate to see anyone getting hurt.

IMPORTANT FORMS

You have hopefully seen a number of important letters and forms been sent home over the past couple of weeks. Please can you take the time to read through all of the information and return all forms to your child's class teacher as soon as possible.

Forms to be returned:

Data collection sheet
Medical records update form
Photo permission form
Flu immunisation form

Following the fun activities morning on the last day of the Summer term, we managed to raise an incredible £714.86! This money will be used to buy resources for the school which the new School Council will select later this term. Many thanks for your continued support.
