

Spring Update for Foundation Stage

The children in the Foundation Stage have made a fantastic start to the Spring term and in this update we would like to share with you some of the exciting learning and activities that we have been involved in this term and what we are looking forward to!

What have we been learning in Spring 1?

In Spring 1 we were

- continuing to work in partnership with parents in Earlybird sessions. Extended Earlybird and library sessions are also offered to our FS1 parents.
- learning about different jobs as part of our 'People who help us' topic. We had many exciting visitors who came to speak to us such as: police officers, firefighters, a nurse, a secretary and a premises officer. We also talked about the type of job we would like when we are older.
- practising using good manners and learning to share with one another.
- helping our teacher to plan our next topic by filling in an 'All about me' form.

What are we looking forward to?

In Spring 2 we are looking forward to:

- learning the story of Goldilocks and the Three Bears ready to perform to our parents.
- dressing up as characters from Goldilocks during Book Week.
- our 'Animals' topic where the F2 children will be looking after minibeasts in our Bug Den and the children in F1 will learn about farm animals.
- practising measuring things and using money!

Thank you very much for your continued support!

The Foundation Stage team
