

Greek Pots

We used the coil method to create Ancient Greek inspired pottery, glazed in red, black and white, using the 'scraffito' method.

Leaver's Performance 2017-Shakespeare Rocks.

We hope that you have all enjoyed this year's performance, which was suggested by our children, following our topic on Shakespeare.

Inspired by Ancient Greeks!

As part of our Democracy topic, UKS2 took part in a General Election. Children were placed in political parties, had to research their main ideas, and deliver them to younger children in school. An election was held and we can announce that The Labour Party were elected to represent Evington Valley!

We wish you all a safe and happy summer holidays.

Good luck to our year 6 children as they move on to secondary school.

The Virgin Money 'Fiver Challenge'.

Thank you for attending our Enterprise Day sale-it was marvellous to see so many of you attend.

The children had worked very hard on planning, marketing and creating their merchandise. Amongst the products on sale were henna tattoos, samosas, bespoke art, cupcakes and mocktails!
